### Wrinkles Around the Eyes

Are usually caused by defective sight. Many women, and likewise men, look prematurely old from these wrinkles. The wrinkles in many cases can be removed by wearing correctly fitted glasses. To fit glasses correctly demands a thorough knowledge of refraction and the necessary instruments. We have both: hundreds of satisfied customers will say so.

### A GAY STREET PARADE.

By the Negro Minstrel Troupe—At the Academy Tonight.

Richards & Pringle's-Rusco & Holland's big minstrel troupe gave two splendid street parades this afternoon, parading most of the principal streets of the city. The company's two splendid bands made pretty music as the procession marched up and down the streets, followed by the usual course of little "coons" who were tickled to death at the sight of men and boys of the "cullud persuasion" gaily dressed in Prince Alberts and silk hats and marching the streets with resplendent horns or walking canes, or riding alone in a stylish buggy drawn by a frisky horse. Manager Blackburn, of the Academy of Music, and one of the show managers rode at the head of the procession in a carriage drawn by two pretty grays. They were followed by negroes dressed in Arabian costumes, and these by the two bands.

The show will be at the Academy tonight only. The troupe is made up entirely of darkies of splendid person and will no doubt give a good performance.

### A Choral Union Organized.

Or last Saturday night in the hall of the Brockmann music school, some twenty-five or thirty people met. An organization was effected for the purpose of developing and perfecting vocal musical talent in our city. It is the intention of those taking the initiative in the matter to encourage and help those who know absolutely nothing about the science of music, and consequently at each weekly meeting, a part of the time will be taken up with instruction and drill in the rudiments of vocal music. It is also hoped that the meetings can be made of great benefit to the most advanced vocalists by giving probably two-thirds of the time to advanced work. Prof. Brockmann is deeply impressed with the need of such an organization and very generously consented to act as director besides giving the use of his hall free, until other arrangements can be made. It is estimated that the running expenses can be met with 25c per month from each member. Next Saturday night, Dec. 3rd at 7:30 o'clock the organization will be perfected in Prof. Brockmann's hall. Everyone who wants to sing and every one who wants to improve his singing, is urged to be present. At that time the convenience of the majority may favor another night for meeting, but that matter with all other details, will be acted on by all those wishing to become members.

### R. W. Brooks, President.

At the meeting of the directors of the Bank of Guilford yesterday Hon. D. F. Caldwell resigned as president, though still remaining a director. Mr. Caldwell has been president of the bank for ten years—since its organization, and resigned on account of his age, being unable to attend the meetings of the directors. Mr. R. W. Brooks was elected to succeed him. This is an honor well bestowed. Mr. Brooks is one of the city's most substantial business men and the directors made no mistake in electing him president of the bank. The resignation of H. H. Cartland as director was also accepted and J. S. Cox elected to succeed him.

### Directors Meet.

The board of directors of the State Normal and Industrial College, met last night. A committee was elected to formulate the biennial report to the governor, and said committee are busy today making out the report. Some of the members finished their work this morning and left for their homes, at noon.

### Gone Up the Flume.

Columbus, O., Dec. 1.—A special to the Dispatch, from Toledo, O., says: "Isaac D. Sneed, at one time one of the wealthiest men of Toledo, and known from ocean to ocean as a manufacturer of ventilating and heating apparatus, filed a petition in bankruptcy in the United States Court here today. Sneed places his liabilities at \$900,000, so far as he knows, with no assets. His creditors are banks, and commercial houses in every large city in the country, and his debts vary from 32 cents to \$47,000.

### Meeting of Revision Advocates.

By Cable to THE TELEGRAM.  
Paris, Dec. 2.—A meeting of nearly a thousand advocates of revision was held last evening which adopted resolutions demanding the abandonment of the prosecution of Col. Picquart, the revision of the case against captain Dreyfus and the punishment of the latter's accusers.

## BID WITHDRAWN!

### A Message To the Mayor From Mr. Howell.

### AN ENEMY AT WORK.

### The Facts in the Case Have Been Grossly, Not to Say Maliciously, Misrepresented.

The Telegram regrets to know that within the borders of Greensboro there is a citizen so mean, so cowardly and so viciously underhanded as to attempt to thwart and strangle honest competition, as is evidenced by the contents of the following message:

Knoxville, Tenn., Dec. 2, 1898.  
Hon. Z. V. Taylor, Mayor,  
Greensboro, N. C.

From clippings sent me from papers in your city and from private letters received from Greensboro, there seems to be a feeling among your citizens against a proposition for lights, power and street railroad from outside parties. As my proposition was based upon the prospect of legitimate returns for the money invested, I do not care to enter your city in the face of the statement in your papers and the evident hostile spirit behind them towards such enterprises, and therefore withdraw my proposition.

C. C. Howell.

Speaking for the Telegram, we want to say that never has there appeared in these columns a line, either editorial, local or in a communication, that could be construed as being hostile to an investment by outside parties. The other papers here can speak for themselves. This paper is on record as being out and out and unreservedly in favor of giving the lighting contract to a company that will give us street cars in addition.

We do not know where the clippings referred to by Mr. Howell came from, or who busied himself to inform him that there was "a feeling among the citizens here against outside investment." Whoever it was overstepped the legitimate prerogative of any man. There is no man authorized to speak for the citizens of Greensboro.

We do not believe either of the other companies making bids had a hand in it. We believe they are willing to make an open, honest fight for the contract; but when competition is thus slapped in the face and the wishes of the people thus misrepresented, there is something rotten in the camp.

The anarchist who has thus attempted to choke off and strangle fair play should be ferreted out and a seal of condemnation put upon him.

Let the aldermen continue the matter and set the people right in the eyes of investors, before making a contract for light or any other purpose.

### Bodies From The Portland.

By Wire to THE TELEGRAM.  
Orleans, Mass., Dec. 2.—Two more bodies, making twenty-three, from the wrecked steamer Portland, were recovered today.

### NOTES FROM HIGH-POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU.  
HIGH POINT, N. C. Dec. 2

In our column last Friday we stated the following:  
"Sometime ago when we were 'in the dark' so much the cry then was water so the light committee dug a well and bought two new engines and a boiler, and now the cry is wood. In fact that is the cry with many of us, but we don't have to furnish light for other people. We trust that the power company will get in a supply of wood and get down to business."

Now the light committee think we spoke too quick, and that from the above that we were blaming them for not giving us better lights and more of them. They say we should not have said what we did, at least, until they got their boiler and engines in place. In reply to their complaint, we beg to state that we were told by an employee of the power company that the only drawback was wood, thus we made the above statement. We beg to state that we have no fault to find of the light committee. They still depend upon the Snow Lumber Company for steam and the scarcity of wood lays with them.

Ralph Smith, the little Western Union messenger, is the youngest Telegram reader in this community, and of the best to pay his subscription. He pays in advance. We have always believed that Ralph "knows a good thing when he sees it." Ralph is a hustler.

From the first issue of the Citizen under the editorship of Mr. Foote, we cannot see why he will not make us a good citizen. We congratulate him on his first issue.

J. B. Cecil is going to make a great improvement on his store house next to J. R. Pickett's. He will put in a new front, similar to the one in the Smith building, and lower the floor.

We will go to delivering the Telegram's next Monday night. Please give us your name and street if you want your paper delivered.

Some of our High Point readers were somewhat displeased at the Telegram yesterday, by it not containing the telegraphic and High Point news. They must have failed to see the reason for such news being withheld for one day at least. We think that we could afford to give way for one day at least to our Greensboro friends to publish news that was of so great importance to them.

J. T. Webster, of Aberdeen, has moved to this place and will open a jewelry store immediately. His family will move here soon.

### SPANISH SYMPATHIZERS.

Making Much Over Reported Attitude of the Filipinos.

By Cable to THE TELEGRAM.  
Paris, Dec. 2.—The peace commission concluded its consultation with General Merritt today, after which it took up the question of Spain's commercial rights in the West Indies for ten years. The other subjects of the negotiations will be considered later at a joint session.

Spanish sympathizers having close relations with the members of the Spanish commission are making much ado over the reported attitude of the Filipinos towards the United States. The sympathizers profess to have information to the effect that the insurgent general, Aguinaldo, means to fight, and that he now has sixty thousand soldiers, armed with Mauser rifles and eighteen quick firing guns. It is asserted that Aguinaldo will be satisfied with nothing but the independence of the insurgents. His agent was reticent when questioned this morning, saying he had no definite information from his government.

### Mrs. Cody Broke Down.

By Wire to THE TELEGRAM.  
Albany, Dec. 2.—Mrs. Cody, who is on trial for the alleged attempt to blackmail the Goulds, broke down upon the cross-examination today and asked to be taken from the court room for air. She appealed for mercy and denied being mixed up with other famous crimes.

### Will Ask for a Million.

By Cable to THE TELEGRAM.  
London, Dec. 2.—The cabinet has decided to ask Parliament to vote a million pounds for the construction of fortifications at Wei Hai Wei and Kowloon and also to raise several regiments of Chinese soldiers.

### Large Craft Wrecked.

By Wire to THE TELEGRAM.  
Plymouth, Mass. Dec. 2.—What appears to be a large craft is wrecked on a ledge off Rocky Hill Beach, heaped about with seaweed. There are possibly bodies in the weeds.

## AN IMPORTANT DECISION.

### If Sustained Will Be Far Reaching In Effect.

### SYLLABUS ON TRANSPORTATION.

### Completed So Far as Land Transportation Is Concerned—An Act To Limit Suffrage.

Special to THE TELEGRAM.

Washington, Dec. 2.—Attorney General Montague's decision, to the effect that the state officials of Virginia, who entered the volunteer army of the United States, vacated their offices, is attracting considerable attention among lawyers in this city. The decision is in a line with that of Judge Brannon, of West Virginia, in which he recently held that two of the republican members of the state senate, who accepted commissions in the volunteer army, vacated their seats in the state legislature. Lawyers of good legal reputation in Washington, hold that if the two decisions are ultimately sustained that it must also apply to the case of those congressmen, including General Wheeler, of Alabama, who accepted commissions in the volunteer army. It is held by these attorneys that if the acceptance of such commissions vacates seats in the legislature of a state it would necessarily vacate a seat in the congress of the United States, as the decision is based upon a clause in the federal constitution which prohibits the holding by the same person, of more than one office where a salary is attached. It is said that it makes no difference whether, or not, such officer in the volunteer army accepts the salary attached to the military office.

The decision of Attorney General Montague is doubly interesting to Virginia people, as it relates to a number of offices in the state. If sustained among the offices which will become vacant is that of Commonwealth's Attorney Baker, of Shenandoah county, who is Colonel of the Second Virginia regiment of volunteers, which has not as yet been mustered out of the service of the United States. Of course both the Virginia and West Virginia decisions apply to only state offices, and not to any Federal office.

Mr. Harris, of North Carolina, a member of the transportation committee of the Industrial Labor Commission, gave the information that the committee on transportation has completed the syllabus on transportation so far as it applies to land transportation. Both Mr. Harris and other members of the committee hope that they will have the entire syllabus completed by the time set for the reassembling of the labor commission, which is next Tuesday morning.

Mr. A. N. Loftin, of North Carolina, was seen at Willard's Hotel yesterday. He predicts that an act to limit suffrage to voters of sufficient understanding and intelligence to know what they are voting for will be passed by the legislature in the near future. He says that the exclusion of the ignorant colored voters will be one of the best pieces of legislation the state has had for a long time. If an educational qualification law had been in existence in North Carolina, as in South Carolina, Mississippi, and Louisiana, the state would never have gone through the late scenes of turmoil and violence. It will have a quieting effect for many years, and will do more to solve the so-called negro problem than any remedy that has been suggested.

Governor Russell's appointment of Oliver H. Dockery, Jr., to a military office is criticised by North Carolina people in the city. They say that the appointment was a purely political one, and the worst that could have been made by the governor.

Rev. John R. Griffith, Jr., rector of an Episcopal church at Alexandria, Virginia, has accepted a call to the rectorship of St. Mary's Parish, Kingston, North Carolina, and has left for that town. His family are in Alexandria, but will follow him in a few days.

James Q. Caldwell has been appointed postmaster at Querys, Mecklenburg county, North Carolina. Robert L. Chappell has been commissioned postmaster at Allensville, North Carolina.

If you need winter underwear, call on Thacker & Brookmann. They have just received another large shipment of men's, women's and children's wool, cotton-and-wool and cotton underwear, bought cheap for cash and to be sold cheap.

### GUARDIAN OF PEACE.

Fiftieth Anniversary of Joseph On the Throne.

By Cable to THE TELEGRAM.  
Vienna, Dec. 2.—Emperor Francis Joseph, today, upon the fiftieth anniversary of his accession to the throne, issued a general order to the army thanking the soldiers for their loyalty and fearless valor throughout his reign. He declares he will ever look upon the army as a shield and protector of the throne.

Amnesty was granted to political offenders and a number of decorations gazetted. Newspapers without any distinction publish articles extolling the Austrian emperor as the guardian of European peace.

### LONG AERIAL VOYAGE.

Reported that Andree has Crossed Ural Mountains.

By Cable to THE TELEGRAM.

Stockholm, Dec. 2.—Advice received from St. Petersburg says that the minister of Sweden and Norway at the Russian capital has received a letter from Locomotive Driver Drake, living at Ville Skai, in which, the writer asserts, he has found in the vicinity of the Ural mountains, in a Hungarian wine bottle two pieces of paper one of which bore the inscription in French "Andree's balloon crossed the Ural mountains. Andree." The other was written in Russian and was as follows: "Give this letter to the consul or police."

### KEEP IT STRAIGHT.

In speaking of the "proper action of the church to free itself from the stigma which Stahlman, Barbee and Smith put upon it," the News and Observer says: "The Western conference passed resolutions looking to the return of the money, but by a close vote, out of a mistaken charity for Smith and Barbee, failed to register the demand of the church that they retire as officials of the church," etc.

Refreshing our memory by reference to the conference proceedings printed in the Advocate, we find that a resolution "looking to the return of the money," and recommending that the book agents be suspended, was reported by the committee. And we find further that Rev. Dr. Jas. Atkins offered the following substitute:

That the Senate Committee say what they think is a just and proper amount to be paid to the attorney for his work in the collection of the claim. Subtract that amount from the amount actually paid. Let the church collect that difference and pay it to the Publishing House, so that the desire of the Senate will be accomplished.

We find further that the substitute was adopted in lieu of the report by a vote of 74 to 43, notwithstanding, as it is recorded in the Advocate. Capt. F. C. Robbins "spoke earnestly against the adoption of the substitute, and in favor of the report of committee."

In another paragraph, in discussing matters to come before the N. C. Conference, the News and Observer says: "In the Western conference a majority were opposed to the policy of Dr. Kilgo." We would like to ask how the News and Observer expects to sustain that statement. It is more flagrant than that about the publishing house resolution. The fact of the business is the Western conference endorsed Trinity College and Dr. Kilgo without reservation.

Does the News and Observer mean to say that the preachers and laymen of the Western conference stultified themselves (to put it mildly) by endorsing a man in toto whose policy they opposed? It is an easy matter to keep history straight by adhering strictly to the truth.

One of the earliest recollections of our boyhood days was Uncle Jesse Cunningham as pastor of West Market street church and Aunt Fannie Bumpass as our Sunday School teacher. A few months ago Aunt Fannie went to heaven. Uncle Jesse, this week, missed the first roll call in forty-three years, owing to feeble health. An able, faithful and consecrated preacher, a kind-hearted and sweet-spirited man, he has served the Master long. His name has been referred for the superannuated relation. May the evening of his life be calm and restful in the radiant glow and scintillating gleams of a life well spent as he awaits the grander splendors of a brighter morn.

The action of the board of aldermen in the lighting matter will be awaited with interest by those who desire to see Greensboro placed in the list of progressive and up-to-date cities where she properly belongs. It is a time to look away from and beyond all sorts of personal considerations or favoritism and let our motto be "the greatest good to the greatest number." Each man who has a voice in settling this question should ask himself: How will the future of Greensboro be affected by the decision? and not what loss-

es will accrue to any man, company or corporation. The city needs more than we can vote bonds to secure. Inducements should be offered to capital to invest here. No great city was ever built without it. To those who believe Greensboro is destined to always stay behind, we say, give her the proper help and in a short time the eyes of the whole south will be looking this way.

### YESTERDAY IN CONFERENCE.

#### Proceedings of the Second Day at Elizabeth City.

Elizabeth City, N. C., Dec. 1.—The second day's session of the North Carolina Conference opened at 9:30 this morning, Bishop Fitzgerald presiding. Father Hooker offered prayer. The minutes of yesterday's session were read by the secretary and approved.

A touching letter was read from Uncle Jesse Cunningham, which moved many to tears. The bishop asked all to unite in singing "How Firm a Foundation." The bishop announced the following committee on publishing house claim: Clerical, W. C. Norman, R. B. John and J. E. Underwood; lay, H. C. Wall and L. L. Smith.

Revs. Johnston and Penick, of the Baptist and Presbyterian churches of this city, were introduced.

Dr. J. H. Pritchett, representing the mission board, of Nashville, Tenn., made an earnest plea for greater activity in the missionary cause, especially by and through Sunday Schools.

The report of the trustees of Greensboro Female College was referred to a committee.

Rev. W. B. Moore, of the North Carolina Conference, was announced as being transferred to the Virginia Conference.

Presiding Elder Beaman, of the Wilmington district, stated that Revs. Kelly and Crumpler, of the local ranks, have left the Methodist church and returned their credentials.

Question twenty was resumed, and charges reported, partially from Durham, Fayetteville, Wilmington and Rockingham districts. Most of the reports were of such a character as to receive the bishop's commendation. Main street church, Durham, Rev. G. A. Oglesby, pastor, reported over twenty-four dollars per member.

Rev. T. H. Law, field superintendent of the American Bible Society, addressed the Conference briefly, asking the preachers to make an earnest effort for large collections, that the poor of our own land as well as our West Indian and Philippine colonies may be provided with the word of God.

Rev. N. M. Jurney made a powerful appeal for contributions finish Craven Memorial Hall, Trinity College and raised over one hundred and fifty dollars.

The committee on conference relations reported, recommending the continuance of seven aged preachers on the list of supernumeraries and adding the names of Rev. Jesse A. Cunningham and Peter L. Herman.

When Grace street church, Wilmington, was called, Rev. A. P. Tyler made an excellent report and said they hoped to entertain the next conference.

The presiding elder of Washington district stated in Conference yesterday they expected to secure the next session of the conference there, so there will be several invitations.

Conference adjourned with the benediction by Rev. J. W. Jenkins at 1 o'clock.

Dr. J. D. Barbee, of Nashville, Tenn., preached a very fine sermon tonight.

#### True Bills for Murder.

Winston, N. C., Dec. 1.—The grand jury today returned three true bills for murder, all of defendants being colored. Bud Wright, a boy, is charged with setting fire to and burning to death Mary Gallimore, a colored girl; Robert Stephen for beating Isam Harris with a club resulting in the latter's death; Charles Hanna for shooting and killing Mollie Pritchard, south of Salem in September. He shot at a negro man, but the ball missed its mark and struck the woman.

In the Holden mine, at Taylor, Lackawanna county, Charles Guard was killed by a blast.

"Chester, with the Fifteenth infantry, left her anchorage six miles below the city about the same hour and is probably now on top of the sea sailing for Cuba. She might have been at the bottom of it if she had gone out the day she started. Panama still here."

### GRADUATING RECITAL.

Of Miss Edna Hooker Vanderford—A  
Rare Treat.

Miss Edna Hooker Vanderford, of  
Salisbury gave her graduating reci-  
tal in the music hall, of the Brock-  
mann School of Music last night, as-  
sisted by Prof. Brockmann and Mr.  
Z. V. Taylor. The hall was filled  
with people who had received private  
invitations to attend, and they con-  
sidered themselves fortunate, for to  
hear such excellent music is a rare  
treat.

Miss Vanderford has been a student  
of piano, harmony and History of  
music, and not only graduates but  
has become an expert. She has few  
equals as a pianist. The following  
program was most dexterously ren-  
dered:—

### PROGRAMME.

Beethoven—Sonata, Op. 27. No. 2.

Adagio—Allegretto—Presto Agitato

Wagner-Liszt—Spinning Song.

Mascheroni—For all Eternity.—Mr.

Z. V. Taylor.

Violin Obligato.—Mr. Brockmann.

Weber—Polacca Brillante.

Paderewski—Song of Voyager.

Maj.

Presentation of Diploma,

Mr. Taylor.

### Two Pointed Questions Answered.

What is the use of making a better

article than your competitor if you can

not get a better price for it?

Ans.—As there is no difference in

the price the public will buy only the

better, so that while our profits may

be smaller on a single sale they will

be much greater in the aggregate.

How can you get the public to know

your make is the best?

If both articles are brought promi-  
nently before the public both are cer-  
tainly to be tried and the public will

very quickly pass judgment on them  
and use only the better one.

This explains the large sale on

Chamberlain's Cough Remedy. The

people have been using it for years

and have found that it can always be

depended upon. They may occasion-  
ally take up with some fashionable

novelty put forth with exaggerated

claims, but are certain to return to the

one remedy that they know to be re-  
liable, and for coughs, colds and croup

there is nothing equal to Cham-  
berlain's Cough Remedy. For sale by

C. E. Holton.

### Col. Bryan is Well Again.

Lincoln, Neb., Dec. 1.—Colonel W.

J. Bryan left this evening for Savan-  
nah, Ga., to rejoin his regiment. His

furloigh does not expire until the 5th,  
but his health being fully recovered,

he felt it his duty to return. A num-  
ber of prominent leaders, among them

ex-congressman Towne, and Thomas

C. Patterson, of Denver, have been in  
conference with Col. Bryan during

the week.

sion, and it

Pains in the chest when a person has  
a cold indicate a tendency toward  
pneumonia. A piece of flannel damp-  
ened with Chamberlain's Pain Balm

good. Howard Gardner.

### No Cure—No Pay.

That is the way all druggists sell  
Grove's Tasteless Chill Tonic for Chills  
and Malaria. It is simply iron and  
quinine in a tasteless form. Children  
love it. Adults prefer it to bitter,  
nauseating tonics. Price, 50c.

Late to bed and early to rise, pre-

### Discovered by a Woman

Another great discovery has been  
made, and that too, by a lady in this  
country. Disease fastened its clutches  
upon her and for seven years she with-  
stood its severest tests, but her vital  
organs were undermined and death  
seemed imminent. For three months  
she coughed incessantly, and could  
not sleep. She finally discovered a  
way to recovery by purchasing of us  
a bottle of Dr. King's New Discovery  
for consumption, and was so much  
relieved on taking first dose that she  
slept all night; and with two bottles  
has been absolutely cured. Her name  
is Mrs. Luther Lutz. Thus writes  
W. C. Hammick & Co., of Shelby, N. C.  
Trial bottles free at C. E. Hol-

other members of Centenary, and  
conveyed to their new home at the  
parsonage in South Greensboro. At

ladies had congregated and prepared  
a nice hot supper. The rooms were  
comfortably warmed and every effort  
was made to make the newcomers feel  
that they were among friends and as-  
sure them of a hearty welcome. We  
imagine such incidents are sunshiny  
spots in the life of a Methodist itiner-

meeting of the order in Norfolk.  
There are a number of negro fire-  
men on the branch lines of the South-  
ern, though but few on the main line.  
The railroads have not yet replied to  
the request.

### The Social Standing

of most men is much higher than the  
sum of their income. To such men it  
must be good news to learn that they  
do not have to pinch themselves in  
order that they may pay the extrava-  
gant tailor's bills. We sell perfectly  
fitting clothes for business, semi-dress  
or full dress occasions of unquestion-  
style and superb qualities at prices  
which permit the saving of almost half  
tailor's bills. Our best clothes are  
made by the famous New York tailors,  
Messrs. Feuchelner, Fishel & Co., whose  
label on every garment is a guarantee  
that the clothes are equal to "custom  
made" in every particular. Therefore,  
whether it is a sack suit, a cutaway or  
a Prince Albert frock, a pair of trou-  
sers, a top coat or an overcoat that  
you need, do yourself the justice to at  
least see our offerings—and then go  
to your tailor if you like—but you  
won't.
